

# MousePen M508WX

Wireless 5" x 8" Tablet for boundless creation

Enjoy unlimited freedom for your design and art work with this wireless tablet from Genius – *MousePen M508WX*.

The 2.4GHz 5" x 8" tablet offers an easy, more natural way to create your designs. Now you can just sit on a sofa or the floor and create your graphic inspirations without worrying about distance or any connection problems. With a palm rest around the entire working area, you can work long hours to finish any type of project you are working on.

The 5120 LPI high resolution and 2048 level pressure sensitivity pen meet your most professional graphic demands. *MousePen M508WX* has four express keys for instant access to undo, eraser, and zoom in / out functions. It's the most ideal tablet for artists and designers who want to create amazing designs effortlessly. For more information, ask your salesperson how you can pick this device up.

Store the Pico 2.4GHz receiver underneath the tablet
